CLOUGH HALL,
NEWMHAM COLLEGE,
CAMBRIDGE.

Oct 8 - 1890

My dear Mr Mason

We are very busy
with our college affairs -
I cannot help about
getting up a meeting -
and I do not think that
at present there any
prospect of getting up
a society - I think is a
minute one that will
probably go on and

would not join with
you. It is a good
thing the Review assumes
and I hope it may continue
to succeed.

Of course if Dr Butler
has the meeting I will go
I try to bring 2 or 3 friends
but this is all I can do.

The 2 ladies who might
do some thing are Mrs
Peile & Mrs J W Clark

If I can see them I will
mention your wish
to have a meeting - but
any how it had better
be deferred - unless
Mr Butler can attend
to it. She of course knows
every body in Cambridge
Her little boy, Dr Butler
agreed to get put home
hooking cough which of
course is a great
anxiety to her

Miss Clough-

My dear Miss Mason

I am sending the
paper I could not write
any more - for I am just
now extremely busy
and it was very difficult
to get it done. There is
no hurry about its
appearance -

Perhaps it wont suit.

I hope you are well
this very cold weather.

Do not send any money
back. keep it if there
is any over for one of
your purposes.

I think the 1st number
is very successful

Mr Margaret Coulter
is here and asks
when the papers for
Mother's meetings are
to come out.

With many good
wishes I am yours
very truly
